

THE JULIETTE RP VISION FOUNDATION

Dear Prospective Sponsors,

The **Second Annual Juliette Jog for Vision** will be held starting at the Presbyterian Clinic, 4005 High Resort Blvd. in Rio Rancho, NM on Saturday, August 21, 2010. The course offers a beautiful view of the Sandia Mountains on paved trails and side walks.

This event is a benefit for **The Juliette RP Vision Foundation**, a nonprofit organization created to help find a cure for Retinitis Pigmentosa (RP) and other retina related eye diseases. RP is an inherited eye disease that causes tunnel vision and leads to blindness. The event will raise awareness for the eye condition and help raise money for scholarships for high school seniors who are visually impaired and have been admitted to college as well as to provide scholarships to young research scientists to help find a cure.

In order for this to be a successful event and to allow all entry fees to be donated directly to The Juliette RP Vision Foundation, **we need your help** as a sponsor to underwrite the cost of the race production. By becoming a sponsor, you are helping to find a cure for a blinding eye condition. Attached are the sponsor amounts.

Together we can build a local premiere race that will be the pride of our community for years to come. Thank you for your thoughtful consideration.

Best regards,

Rob Melendez
